ADONI,

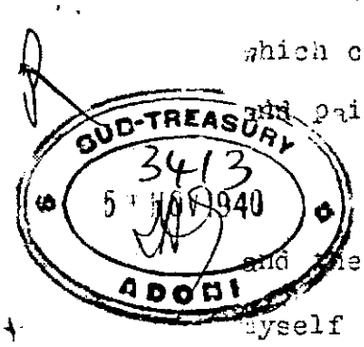
Dated 3rd November 1940.

The Revenue Divisional Officer,

ADONI.

Respected Sir,

My husband H. Sumitra was permanent Kuchi of your office. Last month he fell ill and went to Chikkaballapur for treatment. But he didnot recover. He breathed his last on Wednesday 30-10-40 at Chikkaballapur in the Mission Hospital. He has left behind me (his wife) and 6 children, all young, the eldest being only 14 year: to suffer and starve. He has no lands, house or any other property. We were all mainly depending on his pay. Now owing to his death we have become helpless and forlorn and we have nothing to depend on. My husband has put in a service of nearly 20 years in Govern-ment and he died in harness I humbly pray that gratuity or help which can be granted according to rules may kindly be sanctioned and paid to me and save me and my children, from starvation.



I humbly pray that our pitiable case may kindly be considered and the gratuity sanctioned at an early date as my children and myself are starving from today having nothing to live upon.

I beg to remain,

Respected Sir,

Your most obedient servan

2. In the case of officers who were subject to the Civil Service Regulations leave rules before they elected the Fundamental Rules, the account should commence with an opening entry in columns 4, 5, 6, 7, 8, 11, 13, 14, 15, 16, 17 and 18. The words 'Due on (date of coming under the Fundamental Rules)' should be written across columns 1, 2 and 3 and against these words credit under Rule 77 (*b*) (*ii*) (1) should be given in column 4 and column 6 and that under Rule 77 (*b*) (*ii*) (2) and Rule 77 (*e*) in column 5 and column 7 while debit for commuted furlough taken under the old leave rules should be given in column 11 and that under Rule 78, Note (2) (*i*) (*a*), in column 13, one half of the latter being entered in column 14. The sum total of the entries in columns 6 and 7 and in columns 11 and 14 should be entered in columns 8 and 15 respectively. The difference between the entries in columns 8 and 15 should be entered in column 18 and the entry in column 4 or 6 should be repeated in column 16 while the entry in column 5 or 7 minus the sum total of the entries in columns 11 and 14 should be shown in column 17.

3. When a Government servant applies for leave, columns 1 to 8 should be filled up. Columns 1, 2 and 3 should show the Government served under and the period of duty up to the date preceding that on which the Government servant intends to go on leave, and columns 4 and 5 should each show $\frac{1}{11}$th of this period (but see Note 2 below), the sum total of the two entries representing the period of leave (*i.e.*, $\frac{2}{11}$ths of duty) earned under Rule 77 (*b*) (*ii*) (3). To the new entry in column 4 should be added the last entry in column 16 and the resultant figure should be posted in column 6; similarly to the new entry in column 5 should be added the last entry in column 17 and the resultant figure should be posted in column 7. The total of the entries in columns 6 and 7 will be shown in column 8.

When columns 1 to 8 have been posted, column 8 will show the *maximum* amount of leave which may be granted *in terms of leave on average pay* [but see Rule 81 (*d*)] to a Government servant on the date on which he intends to go on leave. The *maximum* amount of leave *on average pay* which may be granted on that date with medical certificate or out of India and Ceylon will be the sum total of the last entry in column 6 and the unspent balance of 'one year' limited to 8 months at a time, provided this sum total is covered by the period entered in column 8; in the case of leave in India or Ceylon without medical certificate, the maximum will be the last entry in column 6, limited to 4 months at a time. The limits of 8 and 4 months may be exceeded as provided in the note to Fundamental Rule 81 (*b*).

4. When a Government servant returns from leave, columns 9 to 18 should be filled up. The period of leave taken on average pay should be entered in columns 9, 10 and 11, that taken on medical certificate or spent elsewhere than in India or Ceylon should be entered in column 11 till the limit of "one year" is reached and thereafter in column 10. The actual periods of leave on half or quarter average pay (together with leave on subsistence grant under the note to Fundamental Rule 88) and overstayal of leave (vide Fundamental Rule 73) should be entered in column 13 and one half of it in column 14.

Note 1.—Leave on average pay taken under the Fundamental Rules in India without medical certificate in excess of the last entry in column 6 before the deletion of '*plus* one year' from Rule 81 (*b*) (*ii*) should be entered in column 11.

Note 2.—If the leave taken exceeds the amount at credit, the excess representing leave not due but granted under Rule 81 (*a*) (*i*) and (*ii*) should be shown in red ink in column 17.

5. The total period of leave in terms of leave on average pay taken in a Government servant's whole service as entered in column 15 should not exceed the privilege leave credited to him in column 4 on his coming under the Fundamental Rules *plus* all periods of leave subsequently entered in that column *plus* 2½ years.

6. When a Government servant is transferred to service under another Government, a separate account should be opened in this form for showing the leave earned under that Government and the leave the cost of which is debited to that Government. This account will be in addition to the main leave account which must be a complete record of all leave earned and taken under these rules throughout his service.

Note 1.—If during the period of duty prior to a Government servant's going on leave he has served under two or more Governments, the period of duty and the leave earned under each Government should be shown in separate lines in columns 1 to 5 and the sum total of the new entries in column 4 and the last entry in column 16 should be posted in column 6 and of those in column 5 and the last entry in column 17 in column 7, the total of the entries in columns 6 and 7 being shown in column 8.

Note 2.—The sum total of the entries in column 5, inclusive of the opening entry mentioned in instruction No. 2, should not exceed 2½ years [Rule 81 (*a*) (*ii*)], and no entry should be made in this column when this limit of 2½ years is reached.
